AMCP Student Chapter Resources & Benefits

AMCP Leadership & Representation
AMCP members are well represented by those members in leadership roles. AMCP Chapter Officers are encouraged to get to know your elected and appointed representatives.

- AMCP Board of Directors is composed of nine pharmacists members elected to provide strategic direction for the Academy and representing all members.

- AMCP Committees direct the Academy’s activities ranging from professional practice to planning the educational programming for AMCP national meetings. There is even a committee specifically for AMCP’s student pharmacist members. The AMCP Student Pharmacist Committee is charged with providing guidance on topics of importance to pharmacy students, recommending programming ideas and initiating projects related to meetings, resources and Chapters. The Student Pharmacist Committee holds a meeting in conjunction with each of the AMCP national meetings and via conference call. Chapter officers and members are invited to attend the Student Pharmacist Committee meetings held at the national meetings.
AMCP Diplomat Program
The AMCP Diplomat Program is a great resource for AMCP Chapters because it puts Chapter members in contact with real world managed care professionals! How does it work? An AMCP member volunteers to be assigned to a school/college of pharmacy to serve as a resource on managed care pharmacy information and opportunities. Diplomats can speak or find speakers and assist with projects or meetings. To learn more about the AMCP Diplomat Program and to access a roster of Diplomats, visit the Diplomat Center on the AMCP web site: www.acmp.org/diplomat.

Membership Materials
Recruiting and retaining members is an important part of starting and maintaining AMCP Chapter activation. Chapters will be sent a Fall Membership Kick-off kit in late summer. This kit will have enrollment forms and brochures, managed care topics’ booklets and other types of giveaways. Chapters that are preparing an event or membership drive may request additional materials by contacting the AMCP Student Pharmacists staff at least three (3) weeks prior to the date of the event.

Annual AMCP Chapter Leadership Academy
AMCP Chapter officers are invited to participate in the half-day AMCP Chapter Leadership Academy held each year in conjunction with the AMCP Annual Meeting & Expo. Up to four Chapter leaders will learn the needed “how to’s” to ensure a successful AMCP Student Chapter. A stipend for travel and one night’s hotel accommodations is provided to two of the four leaders from each Chapter.

FMCP National P&T Competition
The FMCP National Pharmacy and Therapeutics Competition (P&T Competition) challenges student pharmacist Chapter members to think in terms of a real world experience in implementing AMCP’s Format for Formulary Submissions. The deadline for submitting the Chapter’s P&T Competition registration form is generally in mid-October with the submission due in late January/early February. Eight (8) AMCP Chapters from the submissions will be selected to compete at the national competition held in conjunction with the AMCP Annual Meeting & Expo. The National P&T Competition winning team is announced at the Student Pharmacist Reception during the AMCP Annual Meeting & Expo.

What are AMCP Student Chapters?

What are AMCP Student Pharmacist Chapters?
AMCP Student Pharmacist Chapters are unincorporated groups authorized by AMCP to meet and discuss matters of mutual interest, and generally, further the purposes of AMCP through educational and community service endeavors. An AMCP Student Pharmacist Chapter consists of a group of at least ten (10) AMCP student pharmacist members that is chartered by the Academy with authorization to operate at a specific school/college of pharmacy.

Only one AMCP Student Pharmacist Chapter may be established at a school/college of pharmacy. Official activation of a Student Pharmacist Chapter requires AMCP approval, completion of the activation requirements, adherence to the requirements of an AMCP Student Pharmacist Chapter, and adherence to the AMCP mission and purposes set forth in the AMCP Student Pharmacist Chapter Bylaws that were established to ensure that Student Pharmacist Chapter officers and members understand what is expected.

What are the Requirements for AMCP Student Chapters?
For an AMCP Student Chapter to be in good standing, the Chapter must adhere to all provisions of the AMCP Student Chapter Bylaws and meet the following requirements including:

- Must maintain at least ten (10) AMCP Student Members.
- Must hold an annual election of Chapter officers.
- Must have a faculty advisor.
- Must assure that the Chapter’s activities and programs do not conflict with the mission and objectives of the Academy.
- Must maintain its name as identified in the Bylaws with no alteration.
- Must establish:
  - A legal address
  - A bank account (either at a bank or an account through the college/university (it must be segregated and attributable to the chapter)
  - An Internal Revenue Service Tax Identification Number (EIN#) for the Chapter (not the college/university EIN).
  
  **NOTE:** If your chapter does not have a separate bank account, or does not operate as an independent financial entity from your school/college of pharmacy, or other organization, an **EIN# is not required.**

- Must conduct its business affairs in accordance with federal, state, and local jurisdictions’ rules and regulations, and with AMCP guidelines for operations.
- Must forward all national AMCP membership dues and membership applications directly to AMCP Headquarters for processing. Any portion of the membership fees due to the Student Pharmacist Chapter shall be routed back to the Student Pharmacist Chapter if included in the payment.
- Must submit the minutes of each meeting to AMCP Headquarters within 21 working days of the meeting.
- Must use the AMCP Chapter-specific logo provided to each chapter in accordance with the Logo Use & Guidelines. (Provided when the chapter is activated)
- AMCP Student Pharmacist Chapter Bylaws, approved by the Academy, shall continue in
force and effect until revoked or until notification is received from the chapter of its
dissolution.

- The AMCP Student Chapter must not enter into any contracts that would bind the
  Academy. Under no circumstances may the Chapter use AMCP’s name without the chapter
  name for events, programs, activities or contracts.

**Activation Steps**

Now that you have some background, it’s time to get started on steps you need to take to be an
AMCP Student Chapter! The following checklist walks you through all you need to do. The forms
are provided at the end of this document. If you have any questions through the checklist,
please contact AMCP Student Development at studentdevelopment@amcp.org.

**Step 1: Hold Chapter Formation Meeting**

- Schedule and hold your first chapter formation meeting.
- Assure that all non-members in attendance complete AMCP membership application form and
  submit them along with the appropriate dues to the AMCP Membership Department or have
  them apply online. *Note: Until a Treasurer is elected, the responsibility of this function rests with
  the Faculty Advisor or Chapter President.*
- Elect or appoint your founding officers. Complete the Inaugural Officer Contact Form and return
  to AMCP or enter them online at www.amcp.org/chpaterofficer. You should elect or appoint a
  President, President-elect, Treasurer or Secretary/Treasurer at a minimum to start the chapter.
- Establish the frequency of the Chapter’s meetings (e.g., weekly, monthly, bi-monthly) and the
  site and date for the next general membership meeting of the new AMCP Student Pharmacist
  Chapter.

**Step 2: Complete Activation Forms**

- Complete and receive a tax Id number – EIN from the IRS. AMCP will not activate a Student
  Chapter prior to receiving EIN if the Chapter has a separate bank account.
  *NOTE: If your chapter does not have a separate bank account, or does not operate as an independent
  financial entity from your school/college of pharmacy, or other organization, an EIN# is not required.*

**How to apply for an EIN**

**Apply Online**

The Internet EIN application is the preferred method for customers to apply for and obtain an EIN. Once
the application is completed, the information is validated during the online session, and an EIN is issued
immediately. The online application process is available for all entities whose principal business, office or
agency, or legal residence (in the case of an individual), is located in the United States or U.S. Territories.
The principal officer, general partner, grantor, owner, trustor etc. must have a valid Taxpayer
Identification Number (Social Security Number, Employer Identification Number, or Individual Taxpayer
Identification Number) in order to use the online application.
**Step 3: Submit Activation Application**

Submit the following information to AMCP:
1. Letter of Petition
2. List of Founding AMCP Chapter Members
3. List of Founding Officers or indication that it has been submitted online
4. Chapter Bylaws

Submit to AMCP:
Via Mail: AMCP Student Chapter Activation
ATTN: Student Development AMCP
675 N. Washington Street Suite 220
Alexandria, VA 22314

Via eMail: Student Development at studentdevelopment@amcp.org

Once received by AMCP, the activation application materials will be reviewed and the Chapter Advisor and President will be notified via email of the Chapter’s activation. A formal hard copy letter will be sent shortly thereafter.

**Step 4: After Activation**

A grant totaling $500* will be sent to each chapter after activation. This grant is provided by AMCP to the Student Pharmacist Chapter to help cover start-up expenses.
*The grant will be dispersed over three years -- with $200 being given to the chapter following activation, $200 the second year, and $100 the third year. The grant check will be sent to the Chapter c/o the Faculty Advisor. The Chapter President and Dean will be notified when the check is mailed.*

A Chapter-Specific AMCP Logo will be emailed to the Chapter President and Faculty Advisor upon activation of the Student Pharmacist Chapter with the Logo Guidelines for Use.

**Once Activated a Chapter may be deactivation by AMCP if any of the following occur:**
1. The Chapter fails to hold elections or report current Chapter Officers to AMCP headquarters.
2. The Chapter no longer has a Faculty Advisor.
3. The Chapter’s membership falls below 10 AMCP Student Members.
4. The Chapter fails to comply with Internal Revenue Service reporting requirement.
5. Written notification of dissolution is received by AMCP.

A Chapter may be reactivated if it follows all steps as required to Activate a new chapter. It does not need to apply for a new EIN if the old chapter’s EIN is available. A reactivated chapter is not eligible for the new chapter start-up grant.

**AMCP Logo Guidelines for AMCP Student Chapter Logo**

**Introduction**

The Academy of Managed Care Pharmacy is a national professional organization for individual pharmacists, health care practitioners (non-pharmacist) and associates who practice in managed care settings. The Academy has more than 8,000 members providing comprehensive coverage to the more than 200 million Americans served by managed care.

These Student Chapter Logo Guidelines were developed to help AMCP Student Chapters ensure that Chapter materials and the Chapter itself are presented in a manner that is clear, consistent and representative of the Academy and its mission and vision.

The AMCP mission and vision:

**Vision Statement**
AMCP’s vision is managed care pharmacy improving health care for all.

**Mission Statement**
AMCP’s mission is to empower its members to serve society by using sound medication management principles and strategies to improve health care for all.

**Chapter Logo**

In 2009, AMCP launched a new logo (see above). As a part of AMCP, it is important for Student Chapters to be linked to AMCP through its logo, but also have their own identity. AMCP has designed a custom logo for Student Chapters that must be used in place of the AMCP logo for all AMCP Student Chapter activities.

The AMCP Chapter logo consists of 2 parts – the AMCP logo and "student pharmacist chapter” block.

Your Chapter logo must be used on your chapter’s letterhead, website, apparel, project materials, posters, etc. There are specific requirements for its use that follow in this guide. If you have any questions about your Chapter’s logo or its use, contact AMCP Student Development at AMCP headquarters at studentdevelopment@amcp.org.

**Registered Trademarks**

The AMCP logo is a registered trademark\(^1\) of the Academy of Managed Care Pharmacy. The AMCP Chapter logo has not been registered; however, they include the AMCP logo which is registered. As a result, adherence to the guidelines for use must be followed.

**General Graphics Style**

**AMCP Chapter Logo Elements**
The AMCP Chapter logo consists of two elements – the AMCP logo and “student pharmacist chapter” block. All two elements must be used together and may not be altered.

When using the logo on materials, a clear space must be maintained all around the logo equivalent to 0.25 inches.

---

\(^1\) A trademark is a name, logo or other distinctive mark used by an entity to identify itself. The purpose of the trade mark is to exclusively indicate source of origin. The symbol (™) can be used for any trademark but does not necessarily mean that it has been registered with the US Patent & Trademark Office (PTO). The (®) denoted that the trademark has been registered with the PTO. Use of trademarked material without the permission of the individual/organization holding the trademark can be associated with prosecution and/or fines.
**AMCP Chapter Logo Font**
The font used in the AMCP Chapter Logo is Myriad. Although use of this font on materials where the logo is used is not required for running text and display copy, it may provide consistency in style on official documents. If you don’t have access to the Myriad font – a sans serif font such as Garamond is comparable.

**AMCP Chapter Logo Colors**
The AMCP Chapter logo is comprised of two colors, blue and black. The exact colors for printing are as follows:

<table>
<thead>
<tr>
<th></th>
<th>BLUE</th>
<th>GRAY</th>
</tr>
</thead>
<tbody>
<tr>
<td>Pantone</td>
<td>301</td>
<td>40% Black</td>
</tr>
<tr>
<td>CMYK</td>
<td>100/ 45/5/15</td>
<td>0/0/0/40</td>
</tr>
<tr>
<td>RGB</td>
<td>0/82/147</td>
<td>153/153/153</td>
</tr>
<tr>
<td>HEX</td>
<td>005293</td>
<td>999999</td>
</tr>
</tbody>
</table>

The logo must be used as is and the colors cannot be modified. The logo can be used as a pure black and white by replacing the BLUE with BLACK/GRAY.

**AMCP Chapter Logo Sizing**
Your logo is provided at 100%, but there may be times when you need it to fit on letterhead, a brochure or even a t-shirt. To properly size the logo, double right click on the logo. You will get a box that is “picture format”. This box includes a “size” tab. You adjust the size logo by changing the percent number in the box next to “height”. You do not need to change the width percent. Note: The boxes labeled “lock aspect ratio” and “relative to original picture size” must be checked to ensure that the proper ratios are maintained when enlarging or shrinking the logo.
